

How to be successful with your “La hora del genio” presentation

A dark blue diagonal graphic that starts from the bottom left corner and extends towards the top right corner, creating a triangular shape in the bottom right of the slide.

How does the presentation video work?

- You will have a slide presentation, an oral presentation, a song, or another type of presentation that lasts a ***maximum of 10 minutes***.
- You will record the presentation in class or at home and submit the link on Google Classroom.
- You **will not** submit your slides or other presentation materials, just your video.
- You **will not** present to the whole class, your video will be shown to a small group

How should I structure my presentation?

1. **Introduce** yourself and your project
2. **Present** your project slides or other presentation materials
3. **Read** your Project Summary in Spanish
4. **Thank** the viewers for watching
